

Dear Jordan,

thanks for your email. I think it is a great idea that you visit me next week.

As soon as school finishes, all my friends will go on vacation. So I will be very glad and excited if you visit me next week.

In the holiday, I will go to Hawaii and will spend 2 weeks there. I think you should come in two days, on Saturday, so we can prepare for our vacation on Monday.

Can you stay with us for 2 week or do you need to go home earlier?

All the best,

Aušra 8B
