

Dear Freya,

I can't wait to see you next week. I have so much to tell you e.g. my grandma robbed a bank. Can you believe it?! Anyway, I'll tell you more about it in person.

In the holidays I'm gonna go to the beach, I just like the vibe there – it's so quiet and chill. Of course I will not be able to lie there all day, I'll probably have to watch my little sister most of the time. She can be pretty annoying as you know. You can come anytime you want, actually the sooner the better. You could help me watch that little creature and we could go to the cinema together. I heard there will be a new Leonardo DiCaprio movie.

Let me know when you will come and for how long, I need to inform my mom because she keeps asking.
