

Dear Michael,

How are you? I hope you're doing great. I'm very excited and I can't wait until your arrival to Lithuania! Hopefully, nothing goes wrong and we'll be able to follow the plan that I made.

So, the first thing I'd like to do with you is to visit the Contemporary Art Museum. I heard that there are always good things to gawk your eyes at. Also, we must go to a forest or a park because of the nature is beautiful in my country. Unless, you're more of a city pal, aren't you? Then, I think we should go downtown, visit some antiques or maybe go to the cinema. What would you prefer? And if the weather lets us go, maybe we'll take a train to the beach, huh? I think that would be a fun thing to do!

Maybe, you should come visit in late spring or early summer, because it's not too hot and not too rainy then. Yeah, I think you should come then. Oh, and you can stay as long as you want (I have my mom's approval). But only, if you bring money with you, so that you can buy your own food 😊

I really miss you and I can't wait for your arrival!

Lots of love,
Ema
