

Dear Olivia,

Thanks for your email. It's great that you're planning to visit us next week.

As soon as you finish school, I and you can sit at home because quarantine is now!!!! We will be able to watch movies, play board games and just do nothing if you are not hospitalized due to coronavirus. It is fun in Lithuania when you can go outside, eat outdoors and not be afraid of getting infected with various As this is the first time in Lithuania, I will try to coordinate with the government to allow it to go anywhere. If we are home now and doing nothing, I am looking forward to hearing from you.

I would be grateful if you could confirm the dates of your visit as soon as possible, because I need to figure out if we have enough toilet paper and buckwheat.

I am enclosing my photo,

at Maxima and one more after my visit to the surgeon

Best wishes!!!

Johanna
