

Dear Monika,

Thanks for your email. It's great that you are planning to visit us in the holidays.

As soon as school finishes, I'm going on a piano course with my teacher. We are planning to be there for about five days. I will be able to take some pictures and show them to you. When I get home, I will be working as a cashier at our new restaurant called "Black sheep".

You could visit any time during the last three weeks of the holidays. I will be free to take your sightseeing in the afternoons and working in the mornings.

Please let me know as soon as possible when you confirm the dates of your visit. I won't make any more plans until I hear from you!

Best wishes,

Goda
